

AS A SERVICE TO OUR CAMP FAMILIES, WE ARE MAKING A VERY SPECIAL OFFER ON AN ITEM WE'RE SURE YOU CAN USE!

The Mega-Pak™

After years of watching scores of campers struggling on arrival day with two or three cumbersome suitcases, a sleeping bag (bound by one of Dad's belts), a fishing pole, and tennis racquet, we were excited to run across an ad for The Mega Pak™. Because of its size and strength, a camper should be able to fit all clothes, toiletries, and even bed roll in this one bag. Best of all, after the camper has unpacked, the nylon Mega Pak™ can be neatly folded and placed under his or her shelves and out of harm's way. We actually requested a sample bag so that we could try it out ourselves before placing an order. We packed it with pants, shirts, sweatshirts, shoes, hats, towels, and even a sleeping bag. Not only did The Mega Pak™ accommodate all of these articles, but it also retained its trunk-like shape.

The bags are an attractive forest green, trimmed in white and black. The FRIENDLY PINES CAMP logo is printed in green on one of the white side straps (see picture below). The strap on the other side has been left clean for you to write your child's name or family's surname, if you wish.

We have special ordered a limited number of the Mega Paks™. And because we are offering these bags as a service to our camp families, the price of \$48.00 per bag is well below the manufacturer's suggested retail price. In fact, the price merely reflects the cost of the bag to us, the printing, and the shipping and handling costs. As a result, the bags have been wildly popular among our camp families for several seasons now. If you're interested in buying a Mega Pak™, please fill out the order form on the back side and mail it promptly with your check. These bags will be sold on a first come-first served basis.
