PARENTS, PLEASE NOTE!

The problem of keeping track of the clothing and other possessions of 230 campers is tremendous! Our exceptional record of negligible losses can be maintained only by your continued cooperation in:

- FIRST:** Mark **EVERYTHING** with child's **full name**. (Yes, that means every item that child brings - not just clothing!) We suggest either a permanent marking pen, such as a "Sharpie", or iron-on labels. Note: if you choose an iron-on gummed tape, be sure it is of high enough quality to withstand multiple washings and commercial dryers.
- SECOND:** Write on the "check-list" how many of each article you are sending as you pack it. Do not overlook marking and listing clothing and other items worn or carried to camp! Your count will be verified as we unpack the campers, and their possessions will be tallied **again** as we pack them up to return home.
- THIRD:** Send the completed list **IN THE PACKED BAG**.

THE SLEEPING BAG: We find it the **ideal** camp bedding. It is easy to make (yes, the campers make their bed neatly each morning!), keeps the campers warm on the cool-ish nights here in the mountains; can be equipped with a washable liner (which keeps the hygiene level high), and is a **MUST** for overnight camping trips. A good quality bag with a full zipper can be a lifetime investment. Medium weight (it never gets below 40°F here in the summer) is ideal. Don't forget to mark it with your camper's name!

WATER BOTTLE/CAMELBACK: In our efforts to maintain good health for everyone, we urge campers to keep a water bottle filled with our fresh, pure drinking water **FOR FREQUENT DAILY USE**. To avoid loss, we suggest a carrier such as a shoulder strap, waist pack, or 'Camelback'. No need to send bottled water with your camper.

LUGGAGE & PACKING: In packing, duffel bags or suitcases are preferable to trunks/footlockers, which are hard to store at camp. You may find the enclosed flyer on the "Mega-Pak" of some interest. The children's belongings are all unpacked at camp, and each has his/her own set of shelves.

PLEASE LEAVE AT HOME: Food, gum, extra cash, good jewelry, large & dangling earrings, heavy makeup, aerosol spray cans, expensive toys/clothing, firearms, ALL knives, hand axes; electronic equipment of **ANY** sort: radios, TVs, MP3 players, video games, hand-held video game consoles, cell phones, electronic books (e.g. Kindles), irons, hair heat tools (e.g. hair dryer or flat iron), any battery/electrical/gas powered items or devices; comics, and "questionable taste" items of any sort. Please call us if there is a question! Camp provides its own entertainment and stimulation. If any unsuitable items, not limited to the above, are brought to camp, they are locked safely in a tuck box in the camp office until departure time. **EXCEPTION: food, drink, candy, gum, or anything crude or vulgar is NOT returned at all. Don't bring it!**

☞ **FOLLOW OUR COMMON-SENSE DRESS CODE:** Usual play clothes (in good taste) - jeans, t-shirts, shorts - are what we wear at camp. **THE FOLLOWING IS A LIST OF ARTICLES OF CLOTHING THAT ARE NOT APPROPRIATE AT CAMP:** no articles that reveal underwear/undergarments • no spaghetti-strap, sleeveless, tank top, and/or bare tummy shirts • no drooping pants/shorts • no bikinis (tasteful, one-piece, rash guards, or tankinis only; all suits must cover midriff) • no heavy makeup • no non-stud earrings • no shorts or hemlines that are too short (must be approx. mid-finger-tip length) • no "extreme" hairstyles, hair in the eyes, or (for males) below the collar • no articles that advertise tobacco, alcohol, drugs, or potentially send and offensive or inappropriate message.

Please make your selection below and sign/date. If you do not complete the below, we will assume you WANT laundry service. Laundry service is not available to one-week campers.

YES. I've read 'All the Dirt' on Laundry and I **do** wish for the camp to arrange laundry service for my child. I understand that charges for laundry will be deducted from camper's store account.

NO. I've read 'All the Dirt' on Laundry and I **do not** wish for the camp to arrange laundry service for my child. I've sent adequate clothing and supplies for his/her stay at camp. My camper(s) is aware of my decision.

- ◆ Friendly Pines provides these program items for participants
- Re: Clothes for Dances: It is not vital to have dance night duds, but some of the children seem to like them.
- Re: Ponchos and rain gear: YES, it DOES rain sometimes, and YES, a camper DOES need rain gear at camp, just in case!
