FIRST-TIMER'S CAMP

GET TO KNOW CAMP BEFORE SUMMER

April 2 - 4, 2027 | 2 Nights / 3 Days

Arrival: Friday at 11:00am

Departure: Sunday at 11:00am

First-Timer's Camp is designed specifically for **prospective families and families preparing for their camper's first summer at Friendly Pines.**

Stay in a cabin, enjoy meals at camp, try activities, explore the property, and meet members of our team. Throughout the weekend, your family will get a feel for what makes Friendly Pines special while helping your future camper become more comfortable with the people, places, and rhythms of camp.

For children preparing to attend independently, the weekend can make camp feel more familiar. They can picture where they will sleep, where they will eat, what activities might feel like, and who will be there to support them.

For parents, it is an opportunity to see camp firsthand, ask questions, and better understand the experience your child will have during the summer.

FIRST-TIMER'S CAMP MAY BE RIGHT FOR YOUR FAMILY IF...

- ✓ You are considering Friendly Pines but have not enrolled yet.
- ✓ Your child is preparing for their first summer at FPC.
- ✓ Your child would benefit from seeing camp before attending camp independently.

FRIENDS & FAMILY CAMPS

COME BACK TO CAMP - OR EXPERIENCE IT FOR THE FIRST TIME

Friends & Family Camp is open to everyone, including:

- Current Friendly Pines families
- Alumni and legacy families
- Friends and extended family members
- Prospective families
- Members of the wider community

Spend a few days enjoying camp together, with meals and activities included in tuition. You do not need to have a child enrolled at Friendly Pines—or any previous connection to camp—to attend.

These sessions are a wonderful way to reconnect with camp, introduce someone new to Friendly Pines, gather with another family, or simply trade the usual family getaway for a few days of shared adventure.

FRIENDS & FAMILY CAMPS

WHICH FRIENDS & FAMILY CAMP SHOULD WE CHOOSE?

FRIENDS & FAMILY CAMP 1: MORE TIME TO SETTLE IN

July 27 - 30, 2027 | 3 Nights / 4 Days

Arrival: Tuesday at 1:00pm

Departure: Friday at 9:00am

Family Camp 1 is our longer, slower-paced experience. With two full days at camp, activities are spread throughout the session, with more free time and siesta built into the schedule.

This session may be a great fit for:

- Families with younger children who need naps or breaks
- Families who prefer a more relaxed schedule
- Guests who want additional time to settle in and explore
- Anyone who enjoys a little more flexibility between activities

FRIENDS & FAMILY CAMP 2: MORE CAMP IN A SHORTER STAY

July 30 - August 1, 2027 | 2 Nights / 3 Days

Arrival: Friday at 1:00pm

Departure: Sunday at 1:00pm

Family Camp 2 is our shorter, faster-paced experience. Activities and programming are packed into a shorter stay, with less downtime between activities.

This session may be a great fit for:

- Families whose children do not need naps or extended breaks
- Guests who prefer a busy schedule
- Families looking for a shorter weekend getaway
- Anyone who wants to fit as much camp fun as possible into their stay

BOTH SESSIONS OFFER A BROAD VARIETY OF FRIENDLY PINES ACTIVITIES. THE PRIMARY DIFFERENCE IS HOW MUCH DOWNTIME IS BUILT INTO THE EXPERIENCE.

CABINS, CHILDREN, AND REGISTRATION

STAYING IN A CAMP CABIN

Family Camp guests stay in Friendly Pines' traditional camp cabins. Cabin rental is separate from individual tuition.

Each cabin reservation requires **one Primary Adult**. Any other adults staying in the same cabin should register as **Additional Adults**.

If two families plan to share a cabin, decide in advance which adult will register as the Primary Adult and reserve the cabin.

ATTENDING WITH YOUNG CHILDREN

Toddlers ages four and under attend free. Because some camp activities have age, size, or safety restrictions, **toddler activity options are more limited**.

Age-appropriate options may include:

- Arts
- Pony activities during Friends & Family Camp
- Toddler Time
- Select activities with adult supervision

Toddlers cannot participate in horseback riding, high ropes, target sports, or other advanced programs.

A NOTE ABOUT FAMILY PARTICIPATION

Family Camp is a shared family experience. **Adults should plan to participate in the weekend alongside their children** and help them navigate the schedule, cabin stay, meals, and activity choices. Campers ages 6+ can participate in guided activities on their own if their parent or guardian is comfortable with that.

WHAT TO EXPECT

A FEW DAYS IN THE PINES

While the exact schedule will vary by session, your Family Camp experience will include:

- Time to settle into your cabin
- Shared meals prepared by the Friendly Pines team
- Scheduled activity periods
- Opportunities to explore camp
- Time to connect with other families
- A mix of active, creative, and traditional camp experiences

Family Camp is still camp: expect dirt paths, changing mountain weather, active days, rustic cabins, and plenty of time outdoors. Bring comfortable clothes, sturdy shoes, layers, and a willingness to try something new.

A detailed schedule, packing list, activity information, and arrival instructions will be shared with registered families before the event.
