Friendly Pines Camp | Prescott, Arizona

Season: May–August | **Employment:** Seasonal, Full-Time | **Pay:** Session Based Rate

(A minimum one-week commitment is required, with one- or two-week commitments being typical.)

Bring Your Care to Camp

Looking for a summer opportunity where your medical skills can make a meaningful difference?

As a **Medical Staff member at Friendly Pines Camp**, you'll provide healthcare and support to campers and staff while becoming an important part of the camp community. You'll care for routine illnesses and injuries, manage medications, communicate with parents, and help campers stay healthy and ready to enjoy their summer.

This is an opportunity to combine your professional skills with the rewarding experience of **camp life, community, and connection**.

The Role

Medical Staff are responsible for maintaining a safe, responsive, and well-organized health program throughout the camp season. You'll work closely with camp leadership, counselors, campers, parents, and other medical staff to ensure campers receive appropriate care and support.

You will:

- Set up and maintain the **camp infirmary**, ensuring it is clean, organized, and fully stocked throughout the summer.
- Provide care for **illnesses, injuries, and other routine medical needs**.
- Administer prescribed medications and maintain accurate medication and treatment records.
- Complete medical documentation, including accident and illness reports and required insurance documentation.
- Conduct camper **health screenings** at the beginning of each session.
- **Prepare, administer, document, and follow up on camper medications and individual health needs each day**, ensuring that medications, treatments, and

health-related accommodations are provided according to each camper's specific needs and care plan.

- Respond to parent questions and concerns by phone, email, or in person.
- Schedule and accompany campers to medical appointments or emergency care in town when needed..
- Maintain accurate records of medications, treatments, appointments, and follow-up needs.
- Conduct thorough medical handoffs between incoming and outgoing Medical Staff.
- Communicate current camper health concerns, medication information, outstanding follow-ups, and infirmary needs during staff transitions.
- Work collaboratively with counselors and camp leadership to support camper health and well-being.

Be Part of the Camp Community

Medical Staff are an important part of the camper experience—not just the person campers see when they are sick or injured.

You'll build positive relationships with campers and staff while helping create a culture of good health, personal responsibility, and well-being.

You will:

- Encourage healthy hygiene and wellness habits.
- Build trust and confidence with campers and staff.
- Help counselors understand and appropriately support camper health needs.
- Encourage counselors to actively participate in the care and well-being of their campers.
- Partner with camp leadership when health concerns or special circumstances arise.
- Help create an environment where campers feel comfortable seeking help when they need it.

Life at Camp

Medical Staff should be prepared to fully participate in the overnight camp environment.

The role includes:

- **Shared overnight/on-call responsibilities** with other Medical Staff.

- Being available to respond to camper and staff medical needs during assigned on-call periods.
- Living on-site throughout the camp season.
- Working collaboratively with other medical staff and camp leadership.
- Maintaining confidentiality and professionalism in all camper and staff interactions.

When you are not actively treating campers or completing essential medical responsibilities, you'll have free time to enjoy the camp environment and the surrounding area.

What Makes a Successful Medical Staff Member?

Successful Medical Staff bring both **professional competence and a genuine interest in working with children and being part of a camp community.**

We're looking for someone who demonstrates:

- Sound clinical judgment and professionalism
- Patience, compassion, and a calm approach
- Strong communication skills
- Organization and attention to detail
- Reliability and personal responsibility
- The ability to work independently while also being part of a team
- Comfort working in an active outdoor environment
- A willingness to engage positively with campers and staff
- The ability to maintain appropriate confidentiality and professional boundaries
- Flexibility and the ability to respond calmly when situations change

Requirements

- Appropriate **medical/healthcare credentials and licensure** for the scope of care provided at camp. (Registered Nurse, Nurse Practitioner, Physician's Assistant or higher.
- Current certifications required for the position and applicable state regulations.
- Ability and willingness to **live and work on-site** during the camp season.
- Ability to participate in an **overnight/on-call rotation**.
- Ability to respond appropriately to illnesses, injuries, emergencies, and other camper health needs.
- Commitment to following camp policies, procedures, and health and safety standards.

Additional healthcare experience with children, adolescents, camps, emergency care, or residential programs is helpful.

Why Work at Friendly Pines Camp?

Working as Medical Staff at camp allows you to use your professional skills in a unique environment while becoming part of a community focused on helping children grow, connect, and have an unforgettable summer.

You'll have the opportunity to:

- Make a meaningful impact on campers and families
- Use your professional skills in an overnight camp setting
- Build relationships with campers and staff
- Enjoy an active outdoor environment
- Become part of a close-knit camp community
- Experience camp life while continuing your professional work
